

Transition Plan

Adelaide Business Centre

Shop 1/216 Gouger Street, Adelaide, SA, 5000

Adelaide Business Centre (BC) will permanently close at 5:00pm on Friday, 30 October 2026.

We recognise this change will impact how some customers access Australia Post services and we're committed to supporting the community through the transition. This Transition Plan outlines upcoming changes to local postal services, reasons for the closure and the support measures available to assist customers.

What's changing

- The Adelaide BC is closing, and customers will need to access services at alternative locations.
- PO Box services will no longer be available at this site. A letter outlining how to update your mail delivery arrangements has been placed in PO Boxes.

Support and transition measures

Thank you to everyone who shared their ideas and feedback during community engagement on the proposed transition and support measures between Friday, 31 July and Sunday, 16 August 2026. Your feedback has helped determine the support measures to be put in place:

- PO Box holders receive free 12-month mail redirection and support to transition to alternative outlets.
- Parcel lockers remain on site at Shop 1/216 Gouger Street, Adelaide.
- Business customers receive support to help them transition to alternative outlets.
- Customers can access a guide to help them navigate the changes, including information about alternative options, available services, transport and parking.

Adelaide Rundle Mall Post Shop has also recently been upgraded, enhancing capacity to support customers transitioning from Adelaide BC.

Postal services will continue to be available at:

Post Office	Address	Trading hours	Distance*
City West Campus LPO	14-18 Fenn Place, Adelaide	M-F 10:00am to 3:00pm	1.12km

Reasons for the decision

Australia Post has been evolving to meet the changing needs of Australian communities for more than 200 years.

As community needs continue to change, some Australia Post services will be delivered differently, or in different places, and we'll work with communities to make sure they can still access the essential services they rely on.

Changes in customer behaviour have resulted in a significant decline in customer visits at the Adelaide BC over the past 5 years.

Our existing retail network, with 19 outlets within 5km, will be able to support our customers.

Adelaide GPO Post Shop, Adelaide Rundle Mall Post Shop and City West Campus LPO are located within 1.7km and provide the same services.

Customer and community insights that have helped inform support and transition measures

As the outlet's primary user group, business customers who currently lodge mail and parcels at Adelaide BC may require support to transition.

Some customers may experience longer travel times, increased walking distances or may need to use public transport.

Older residents may require support to transition the services they use most.

PO Box customers may need support to understand the process to relocate their PO Box to another location.
